### UNAIDS TERMS AND CONDITIONS

## 1. INTRODUCTION

UNAIDS, the Joint United Nations Programme on HIV/AIDS, is an innovative joint venture of the United Nations system, bringing together the efforts and resources of ten UN system organizations in the AIDS response to help the world prevent new HIV infections, care for people living with HIV, and mitigate the impact of the epidemic. These organizations, called “UNAIDS Cosponsors” are UNHCR, UNICEF, WFP, UNDP, UNFPA, UNODC, UN Women, ILO, UNESCO, WHO and the World Bank.

UNAIDS is an organization that is dependent on the budgetary and extra-budgetary contributions it receives for the implementation of its activities. Bidders are therefore requested to propose the best and most cost-effective solution to meet UNAIDS requirements, while ensuring a high level of service.

The final proposal must be sent by e-mail and in English to the following address:

Email: [andries\\_svetlana@yahoo.com](mailto:andries_svetlana@yahoo.com) Subject: RFQ for procurement of logistics and accommodation services for UNAIDS

A prospective bidder requiring any clarification on technical or contractual matters may notify UNAIDS via the email specified above. UNAIDS will respond in writing to any request for clarification of the RFQ that it receives not later than **26 February 2017** through a direct reply to the requester.

The bidder shall bear all costs associated with the preparation and submission of the Proposal including but not limited to the possible cost of discussing the proposal with UNAIDS, negotiating a contract and any related travel. UNAIDS will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the selection process.

Proposals must offer services for the total requirement. Proposals offering only part of the requirement may be rejected. The bidder is expected to examine all instructions, forms, terms and specifications contained in this RFQ. Failure to comply with these instructions, forms, terms and specifications, will be at the bidder's risk and may affect the evaluation of the Proposal.

No Proposal may be modified after the closing date for submission of Proposals, unless UNAIDS has issued an amendment to the RFQ allowing such modifications.

UNAIDS may, at its discretion, extend the deadline for the submission of proposals or revise the terms of reference, by issuing a modification to this solicitation.

UNAIDS may award one or more contracts resulting from this RFQ to the responsible bidders(s) whose proposal(s) conforming to this RFQ offers the greatest value in terms of the selection criteria. UNAIDS may (a) reject any or all proposals, (b) accept other than the lowest cost proposal, (c) accept more than one proposal, (d) accept an alternate proposal, and/or (e) waive informalities and minor irregularities in proposals received.

Bidders are requested to hold their proposal valid for 90 days from the deadline for submission. UNAIDS will make its best effort to select a firm/institution within this period. In exceptional circumstances, UNAIDS may solicit the bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. Any bidder granting such an extension will not, however, be permitted to otherwise modify its Proposal

This document and any annexes shall not be construed as a contract or a commitment of any kind. This request for quote in no way obligates UNAIDS to award a contract, nor does it commit UNAIDS to pay any cost incurred in the preparation of the proposal.

UNAIDS may - at its sole discretion - invite selected bidders to make a presentation to or discuss aspects of their proposal with UNAIDS. There shall be no individual presentation by or meeting with bidders until after the closing date. There should be no contact, other than the queries and/or requests for clarifications, with UNAIDS officials concerning the RFQ process for the project, from the date of issue of this RFQ to the final selection.

UNAIDS may, at any time before or after the closing date, for any reason, whether on its own initiative or in response to a clarification requested by a (prospective) bidder, modify the RFQ by written amendment. Amendments could inter alia include modification of project scope or requirements, or project timeline expectations.

### **4.1 Opening of Proposals**

UNAIDS shall open all Proposals in the presence of two witnesses.

### **4.2 Clarification of Bids**

To assist in the examination, evaluation and comparison of Bids, UNAIDS may ask Bidders for clarification of their Proposals. The request for clarification and the response shall be in writing by UNAIDS and no change in price or substance of the proposal shall be sought, offered or permitted.

### **4.3 Preliminary examination of Proposals**

UNAIDS shall examine the Proposals to determine whether they are complete, whether any computational errors have been made, whether the documents are properly signed and whether the proposals are generally in order.

Arithmetical errors shall be rectified on the following basis: If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the Bidder does not accept the correction of errors, its proposal shall be rejected. If there is a discrepancy between words and figures, the amount in words shall prevail.

Prior to the detailed evaluation, the Buyer will determine the substantial responsiveness of each Proposal to the RFQ. For purposes of these Clauses, a substantially responsive Proposal is one which conforms to all the requirements and terms and conditions of the RFQ without material deviations. The Buyer's determination of a Proposal's responsiveness is based on the contents of the Proposal itself without recourse to extrinsic evidence.

A Proposal determined as not substantially responsive will be rejected by the Buyer and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

## **5. AWARD OF CONTRACT**

### **5.1 Award Criteria**

The Proposals are evaluated in a one-stage procedure where the Technical and Financial components are evaluated separately to determine the Lowest-price, technically acceptable offer. The Technical component will be evaluated by confirming the requirements below with the supporting documentations sent by the bidder based on the Requirements Criteria.

UNAIDS reserves the right to invite selected Bidders to adjust any prices in the Excel cells of the Financial Proposal which appear to fall outside of expected values.

UNAIDS reserves the right to reject any Proposal if the Bidder has previously failed to perform properly or complete on time in accordance with contracts or if the Bidder in UNAIDS perspective is not in a position to perform the contract.

UNAIDS reserves the right to annul the solicitation process and reject all Proposals at any time prior to award of the contract without thereby incurring any liability to the affected Bidder(s) or any obligation to provide information on the grounds for the Buyer's action.

A Proposal that is rejected by UNAIDS may not be made responsive by the Bidder by correction of the non-conformity. A responsive proposal is defined as one which conforms to all the terms and conditions of the UNAIDS Proposal solicitation documents without material deviations. UNAIDS shall determine the responsiveness of each Bid with the UNAIDS Proposal solicitation documents.

The Bidders waive all rights to appeal against the decision made by UNAIDS.

The successful Bidder(s) shall sign and date the APW and return it to UNAIDS within 5 days of receipt to confirm acceptance of the contract.

## 6. UNAIDS TERMS AND CONDITIONS

The following general conditions shall apply to any eventual contract. No other deemed conditions shall apply.

### GENERAL CONDITIONS

1. It is understood that the execution of the work does not create any employer/employee relationship. In this respect, the contractor shall be solely responsible for the manner in which the work is carried out. Thus, UNAIDS and/or WHO shall not be responsible for any loss, accident, damage or injury suffered by any person whatsoever arising in or out of the execution of this work, including travel. Insurance coverage for any such loss, accident, damage or injury will be the contractor's responsibility, including where appropriate, insurance coverage for persons used by the contractor to carry out the work.

Without prejudice to the foregoing, UNAIDS may in certain cases provide insurance coverage for the contractor for travel in UNAIDS and/or WHO vehicles. UNAIDS and/or WHO decline all responsibility for non-payment by the insurance company of all or part of a claim submitted by or for the contractor for any accident. In case of such non-payment, the contractor shall be obliged to immediately reimburse all or part of any advance which UNAIDS may have paid to the contractor.

2. All rights in the work, including ownership of the original work and copyright thereof, shall be vested in UNAIDS, which reserves the right (a) to revise the work, (b) to use the work in a different way from that originally envisaged, or (c) not to publish or use the work.
3. If the option, on the face of this agreement, for payment of a fixed sum applies, that sum is payable in the manner provided, subject to proper performance of the work. If the option for payment of a maximum amount applies, the funds shall be used exclusively for the work specified in this agreement and any unspent balance shall be refunded to UNAIDS. In this latter case, any financial statement required shall reflect expenditures according to the relevant main categories of expenditure. Contractors who are legal entities (hereinafter referred to as "Company Contractors") must submit an invoice to UNAIDS in order to receive payment. Invoices are not required from contractors who are individuals (hereinafter referred to as "Individual Contractors") who can be paid upon receipt by UNAIDS of the required deliverables (including any required technical reports and financial statements) in a satisfactory manner.

The invoice from Company Contractors shall reflect any tax exemption to which UNAIDS and/or WHO may be entitled by reason of the immunity it enjoys. UNAIDS and WHO, which provides administrative services to UNAIDS, are, as a general rule, exempt from all direct taxes, custom duties and the like, and the Company Contractor will consult with UNAIDS so as to avoid the imposition of such charges with respect to this agreement and the work performed hereunder. As regards excise duties and other taxes imposed on the provision of goods and services (e.g. value added tax), the Company Contractor agrees to verify in consultation with UNAIDS whether in the country where the tax would be payable, UNAIDS and/or WHO are exempt from such tax at the source, or entitled to claim

reimbursement thereof. If UNAIDS and/or WHO are exempt from value added tax, this shall be indicated on the invoice, whereas if UNAIDS and/or WHO can claim reimbursement thereof, the Company Contractor agrees to list such charges on its invoices as a separate item and, to the extent required, cooperate with UNAIDS and/or WHO to enable reimbursement thereof.

UNAIDS and/or WHO shall have no responsibility whatsoever for any taxes, duties or other contributions payable by contractors. Payment of any taxes, duties and other contributions which a contractor may be required to pay shall be the sole responsibility of the contractor who shall not be entitled to any reimbursement thereof by UNAIDS and/or WHO.

4. If the work is not satisfactorily completed (and, where applicable, delivered) by the date fixed in this agreement and/or if any financial statement required is not satisfactorily submitted to UNAIDS in accordance with general condition 5 below, UNAIDS may specify an additional period within which this agreement must be satisfactorily performed. Normally such additional period should be of at least one week's duration, unless it is clear from the agreement that it was particularly important that the performance be completed on the date specified, in which case UNAIDS may specify a shorter period or refuse to grant any additional period at all. In the event that the work is not satisfactorily completed and delivered on the date fixed, or any additional period granted by UNAIDS and/or if any financial statement required is not satisfactorily submitted to UNAIDS in accordance with general condition 5 below, UNAIDS may rescind this agreement (in addition to the other remedies), subject to an equitable arrangement being made in case of delay caused by force majeure.
5. The contractor shall complete and deliver the work to UNAIDS (including any technical report that may be required) by the date fixed in this agreement or any additional period that may be granted by UNAIDS under general condition 4. Any financial statement required shall be submitted within thirty (30) days thereafter at the latest. If the payment schedule on the face of this agreement provides for a final payment upon completion of the work, this final payment shall be made only after satisfactory receipt of all deliverables called for under this agreement, including any technical report and financial statement.
6. Each Individual Contractor certifies that he/she does not presently, and will not during the term of this agreement, hold any form of contractual relationship with UNAIDS and/or WHO (including any UNAIDS and/or WHO regional, country or project office, as well as any programme, center or other entity where staff is subject to WHO Staff Regulations and Rules) that confers upon the Individual Contractor the status of a UNAIDS and/or WHO staff member. The Individual Contractor understands that a false statement may result in the cancellation of any or all contracts, and/or the withdrawal of any offer of a contract with UNAIDS and/or WHO.
7. If and to the extent the work to be performed under this agreement includes surveys or interviews involving human participants (hereinafter referred to as "research"), the following shall apply:

#### 7.1 Ethical Aspects

It is the responsibility of the contractor to safeguard the rights and welfare of human subjects involved in research performed under this agreement, in accordance with the appropriate national code of ethics or legislation, if any, and in the absence thereof, the Helsinki Declaration and any

subsequent amendments. Prior to commencing any such research, the contractor shall ensure that (a) the rights and welfare of the subjects involved in the research are adequately protected, (b) freely given in o, (c) the balance between risk and potential benefits involved has been assessed and deemed acceptable by a panel of independent experts appointed by the contractor, and (d) any special national requirements have been met.

#### 7.2 Regulatory Requirements

It is the responsibility of the contractor to comply with the relevant national regulations pertaining to research involving human subjects.

#### 7.3 Protection of Subjects

Without prejudice to obligations under applicable laws, the contractor shall make appropriate arrangements to eliminate or mitigate any negative consequences to subjects or their families resulting from the conduct of the research under this agreement. Such arrangements shall to the extent feasible include appropriate counselling, medical treatment and financial relief. The contractor furthermore undertakes to protect the confidentiality of the information relating to the possible identification of subjects involves in the research.

8. Any dispute relating to the interpretation or application of this agreement shall, unless amicably settled, be subject to conciliation. In the event of failure of the latter, the dispute shall be settled by arbitration. The arbitration shall be conducted in accordance with the modalities to be agreed upon by the parties or, in the absence of agreement, with the Rules of Arbitration of the International Chamber of Commerce. The parties shall accept the arbitral award as final.
9. Nothing contained in or relating to this agreement shall be deemed to constitute a waiver of any of the privileges and immunities enjoyed by UNAIDS and/or WHO and/or as submitting UNAIDS and/or WHO to any national court or jurisdiction
